Victim BEST BUY	Offense RETAIL THEFT - TAKING MERCHANDISE
--------------------	--

THE INFORMATION BELOW IS CONFIDENTIAL - FOR USE BY AUTHORIZED PERSONNEL ONLY

On 04 NOV 21 at approximately 1711 hours I responded to 6840 Lorel Ave for a suspicious incident later reclassified as a retail theft. I made contact with the homeowner who informed me that an unknown subject had placed his bicycle and backpack behind the fence of the vacant lot south of 6840 Lorel Ave and was last seen walking towards the Village Crossing shopping area. While speaking to the homeowner I observed a subject walking towards the bicycle/backpack south on Carpenter Road. I began walking towards the subject and observed that he had several unopen/package electronic items in his hands, as I walked closer I observed that the items still had electronic security sensors on the items, which were blinking.

Officer Martinez and I asked the subject (later identified as Jacob Stellmach) to stop, which he did. I asked Jacob if the bicycle and backpack were his, which he stated they were. I asked Jacob if the items in his hands were also his, but he placed them on the ground. I bluntly asked Jacob if the items were stolen and he stated to me, "I plead the fifth". I picked up the items which were (2) Owlet Smart Socks and (2) Magic Keyboards. I asked Jacob if he would be able to produce a receipt for the items and he nodded his head "no". I asked SPD communications to attempt to contact Best Buy (5425 Touhy Ave) and Bed Bath & Beyond to see if they had any retail thefts just occur. After approximately ten minutes SPD communications advised that Bed Bath & Beyond did not have any retail thefts recently occur and they were unable to make contact with Best Buy. Officer Vodicka arrived on scene at which point I took custody of the electronic items and relocated to Best Buy.

Once at Best Buy I made contact with manager, [REDACTED]. [REDACTED] confirmed that the electronic items were sold at Best Buy and the security sensors attached to them were issued from Best Buy. [REDACTED] scanned all the items which indicated that they had not been purchased. The Owlet Smart Socks are \$299.99 each and the Magic Keyboards are \$129.99 each (total of \$856.00). [REDACTED] provided me a receipt which will be placed into property custody.

[REDACTED] and I accessed Best Buy`s camera footage and I observed the following:

At 1712 hours Jacob enters the store. At 1718 hours Jacob is seen in the "Computer Department" selecting the Magic Keyboards which were on display for sale. At 1719 hours Jacob is seen in the "Health & Wearable Department" selecting the Owlet Smart Socks which were on display for sale. Immediately after Jacob exits the store, without making any purchases, past the last point of sale with the stolen proceeds. When exiting the store, the store`s security devices fixated at the exit go off indicating that he had stolen items in his possession.

[REDACTED] provided me with a copy of the camera footage and stated he would sign complaints.

The subject in the camera footage (Jacob) who committed the theft, is the subject (Jacob) I had stopped in the 6800 block of Carpenter Road.

At 1758 hours Jacob was placed into handcuffs, which were properly checked for fit and double locked, by Officer Vodicka. Jacob was subsequently transported to SPD.

Once at SPD I read Jacob his rights, commonly referred to as Miranda, in the presence of Officer Vodicka from a pre-printed card at 1817 hours. Jacob stated he understood his rights and did not wish to speak to us.

[REDACTED] came to SPD to sign the complaint.

Jacob was subsequently charged with (1) count of Retail Theft (720 ILCS 5/16-25(A)(1) and given a court date of December 22nd 2021 in room 103 at 1330 hours at the Skokie Court House.
