If you're reading this then I'm definitely DEAD and have just committed a "NATIONAL TRAGEDY". I've left this journal for all the Investigators, Media, Internet Sleuths etc. but most importantly this is for the VERY FEW people that I actually care about and want to understand why and how this happened so that they can be at peace. I'm gonna lay it all out for you all so that by the end of all of this you will all understand why I did what I did. What you'll see here is the documentation and description of the Months/Weeks/Days from Today up until The Massacre.

Well then I guess I should tell you all a little bit about myself yeah? Not much that's noteworthy and most of the stuff about my birth and early life (Ahhh back when things were much much simpler) Is gonna be pretty easy to find. I've changed A LOT since then, Obviously lol. The real changes started a little over two years ago when COVID first started to become a global thing. God that still fucking pisses me off.

I still cannot believe that the entire world fell for that. The virus itself was real and deadly but instead of actually coming up with a real solution to the problem they (Meaning the Tyrannical U.S. GOVERNMENT) instead USED the problem to create mass hysteria and panic among us (Meaning the people of AMERICA) and then forced us into isolation and loneliness for a SIGNIFICANT amount of time.

I still haven't been able to pull myself out of that state. Despite numerous attempts at getting back into MMA, Which I still love so dearly and always will ❤️👊, Despite numerous attempts at new Jobs, Despite numerous attempts at finding Love once again, Despite numerous attempts at being Social and trying to make new Friendships they have all proved futile.

So now we're here. I hope that this journal can give you all a sense of peace and closure. But the world has made this happen I am responsible for this but I was turned into a monster.

I created this Tragedy. But Society created Me.

Stay Tuned.

Today draggedddd. Work was torture to get through as always. Not because it's a bad job because it's not it's a pretty good job with some faults but the schedule is good and the money isn't bad. Hell there's even a future there for me but I don't want it. I need more. It was torture to get through because I lack any enthusiasm and/or motivation to want to be

there. I just feel nothing towards it making it even more of a chore to do than it already would be. Whatever, I won't be doing it for much longer anyhow.

Speaking of I think I've finally settled on a date for my last day of this hell on earth. The 8th of September. A Thursday. The First Day of School for all Students at Mountain View High School. My reasons for this location and date in particular will be revealed later on in this story. But for now just consider it symbolic and eventually it will become iconic. GOD I Can't WAIT.

It'll definitely come quick and I've gotta spend the next two months preparing myself for it. A lot to do in such a short time frame I'd rather take that route than continue living in misery any longer. This first month will mostly consist of gathering all my Firearms, Ammo, Explosive Materials, etc. and the second month will consist of planning as well as training and getting used to the weapons throughout all of it of course.

Mass Murderer. NO ONE saw this coming absolutely nobody and I made damn fucking sure of that. You guys are all so shocked and appalled I'm picturing it now. Although I was "The Quiet Kid with Anger Issues" all throughout school so maybe it's not as much of a surprise to some of you. I've always been dangerous though. Like a Ticking FUCKING Time Bomb.

Ready To Blow!

## **Friday, July 1, 2022**

Just bought my 870 and might I say it is a beautiful piece of weaponry. Definitely deserving of being the shotgun that'll blow my fucking head off. (As well as others 😏😁) it was only \$399. Sucks I gotta wait 5 days to get it but hey that's AMERICA 4 YA! I also found a beautiful AR-15 for only \$750 but it was still a bit unaffordable but give me a couple weeks and I'll have it in my possession. The guns are only the first parts of all the gear I need to gather granted they're the most important.

I need to start making bombs. Crickets, and Molotovs specifically. They won't be the most complicated to make though and they will sure as hell add to the carnage of 9/08. Crazy to think my life will be over in a little over two months and that that date will be remembered by everybody as a "Horrible Tragedy" but in all honesty it's gonna be the greatest day of my fucking life here.

My work partners also just bought a new truck for me to run and operate so that I can grow and "Flourish with them in the future." Bad choice on their end and honestly I wish I could just tell them no but I can't if I wanna keep up this mask as a "Young kid who wants to be successful in life and make money!" When in reality I FUCKING HATE my life and wanna get on to the next one already. They mean well I know but it's just futile at this point I just have no enthusiasm whatsoever. I hope after all of this they find someone willing to work and grow in life because I'm Gone. Done. Finished with this life.

I don't wanna be here anymore.

**Saturday, July 2, 2022**

I'll be putting on my Human Face and will be Visiting my Brother tonight to watch UFC 276. I'm excited for the card as it is stacked as hell. Honestly it'll be bittersweet because it'll likely be the last big UFC card the he and I watch together before I'm gone. That'll probably be the only thing I'll miss about Humanity. The Raw VIOLENCE the sport of MMA can provide you is simply amazing.

Speaking of Humanity.

Honestly I FUCKING HATE HUMANITY. I hate the entire human race as a whole for what they've turned themselves into. They're not even people anymore they have turned into robots. Programmed into a fucking schedule with beliefs of "GOD" and doing things the "Right Way". Honestly Religion is a myth perpetuated by greed and used as a form of control but I won't get into all of that just yet.

Maybe the Simulation Theory is real and to get out you must DIE? Seriously though what happened? Society just continues to act as if existing here in this universe is worth it. Why? So I can live a life of Credit, Bills, Work, Control under a Tyrannical Government, and Being Unfulfilled in the one thing that I've always wanted? FAT CHANCE. Not gonna happen if this universe won't provide me with what I want then I will simply move on and find it myself.

I'm not exactly Human anymore. I have a human body but I've EVOLVED a step above you FUCKING HUMAN SHIT! I have fucking self awareness I know that I'm not meant for this world anymore. I know that this world cannot give me what I desire. I'm not meant to be stuck here I need something GREATER and I WILL unleash my WRATH on the Human Race on my way out.

And it'll be GODLIKE!

**Monday, July 4, 2022**

GOOD MORNING AMERICA AND HAPPY "FREEDOM" DAY!

I've grown to hate this holiday so much. It used to be a celebration of our freedoms and opportunities that this once great country used to provide. But now this holiday is meaningless as there is NO FREEDOM left in this country. Sure you have a bit more freedom than a lot of other countries but how long is even that gonna last? We're well on our way to Martial Law and complete rule under Dictatorship and Tyranny (Which we already are!!)

In this this Country you are "Free" but...You have to spend over half your life working a 9-5 Job and hoping that 401K and Retirement is worth it (It's NOT!)

In this this Country you are "Free" but...You must pay off the Tax man and all your assets (House, Car, Etc.) technically belong to the Government and if you don't have enough "Credit" you can't have any assets at all. WHAT A FUCKING JOKE!!

In this this Country you are "Free" but...You have to Bend the knee to all Authority figures and obey Law Enforcement. The police are a huge problem in this country. The Police are supposed to "Serve and Protect" but instead they "Abuse and Control" MOST Police Officers in this country are on a power trip and so they use that can abuse that power and use that power to show dominance GOD IT'LL BE FUN TO ATLEAST KILL ONE OF YOU ON DOOMSDAY.

This country has turned into a cesspit. It has gone to shit and now consists of Power Hungry Politicians and Rich Folks killing and controlling the American People most of whom had turned into FUCKING ZOMBIES.

Not me I refuse to live that life. I will not be a Zombie living under control. I'll control my fate and destiny and I'll be rid of this miserable existence. I hope America can get back to the way it used to be after I'm gone but sadly I don't see that happening.

AMERICA is DOOMED.

-Ethan

**Wednesday, July 6, 2022**

I HATE THE WORLD. Fuck Society, Fuck Civilization, and most of all FUCK HUMANITY. It's crazy how people trick themselves into believing that living a miserable existence on this earth is actually a Blessing when in reality it's truly a curse on your spirit. Once you're dead your spirit is finally free. Death is truly the most beautiful part of existence. I understand that and that's precisely why I wanna get it over with. Why live a miserable existence for 50-60 more years when I can just get it over with and move on to peace now? 20 Years of this shit is good enough for me. I've honestly made the best memories of my life and it'll only get fuller from here on out so I'm DONE.

Side Note: Disturbed is FUCKIN AWESOME!! I love that band listening to "Stricken" atm. Just wanted to show some love to one of my favorite bands out there!

There was a shooting on the 4th. I'm not surprised at all honestly I figured something would happen. The dude was an IDIOT though. I don't understand why most of these Mass Shooters just give themselves up or even dumber they try to get away with it like the dumbass on the 4th. There's NO ESCAPE once you pull that trigger. You have 2 choices Die or Surrender to an even worse life in prison. See I'm aware of this and in fact I WANT TO DIE. That's the main reason that this is happening. See Harris & Klebold had the right idea.

Yes Columbine partially inspired this. I've been interested in the case for a long time and it has provided the Blueprint and Part of the Inspiration for Doomsday. I relate to Eric and Dylan on some level as well. they were the same as me. Good young men FUCKED by SOCIETY. We also have ALOT in common so yes before the Media get their disgusting paws on it I was partially inspired by The Columbine Massacre.

Also FINALLY got ahold of the 870 Yesterday. What a BEAUT She is. Sawing it off tonight can't wait to see how she looks then and especially how she shoots. Gonna be tricky to go and shoot her without getting caught. SAWED OFF=FEDERAL PRISON AKA HELL But that shouldn't be much of an issue outside of target practice no one else will see it.

**Thursday, July 7, 2022**

Sawed Off is finally COMPLETE!! Haha she's awesome I cannot wait to go and test her out. First Gun acquired now to get the Second. Any kind of 5.56 AR-15 will do the job. Gotta save for a little longer then I'll have all the firearms I need to pull this off. Molotovs will be made the night before Doomsday.

It's gonna be a very Dark and Violent day in history...and I CANNOT WAIT. It'll be nice to Black Out and get all the RAGE outta my system before I cross over to the Peace Land. Honestly there is a little bit of remorse just for my close friends and family members. I mean this is gonna destroy them but this is my life and I'M choosing to do this with it. They had nothing to do with my decision.

It's not necessarily about the killing although innocent people are gonna die that is just a cold hard fact to be remembered as a significant event in history there has to be casualties. I don't have a specific number in mind nor does it matter very much as long as it's over 10 those are the ones that are remembered the most but it's more about causing Mass Destruction, Terror, & Chaos.

History remembers what we Destroy more than what we Create.

-Ethan

**Friday, July 8, 2022**

FUCK!!! I can't fucking wait. All the RAGE just keeps piling up more and more by the day. The time bomb is getting towards its final ticks. I couldn't even tell you exactly where it all stems from there's so many answers to that question.

I guess the first one is my Family Life/Childhood. Now my Family are all GOOD PEOPLE and I truly Love them. But there are definitely some bad flaws especially with the elders and things that they could've and should've done differently not just with me but with my other cousins & siblings.

ONE. Addicted to Drama. My Family LOVES Drama they are always so damn dramatic over the smallest things. For example I remember when I was younger I got in trouble for having porn on my phone. They turned it into a huge ordeal and I was grounded for a WEEK I was like 15 what 15 year old isn't gonna have porn on their phones? Just one example of how Overdramatic they all are.

TWO. There Always has to be a scapegoat. One thing I really hated about my Family was their necessity for a scapegoat or someone to blame if something went wrong or broke. They would always find someone to blame and punish for it and that shit REALLY Fires me up because it's so fucking idiotic to me like nothing could ever just be an accident? Or nothing can ever just be let go? There ALWAYS had to be punishment for stuff that we weren't even responsible for!!

THREE. Everyone Else is Right and I'm Wrong. This is the worst of all because it still Hurts and Fucks with me TO THIS DAY. Anytime I was to get in "trouble" whether it be at school or not my side of the story was ALWAYS FUCKING IGNORED!! And the Authority Figure was always right. Now there were times where I was in the wrong and I was always honest when I got caught but there were SO MANY Times where I would be defending myself from being harassed and I'd get the shit for it because the other kids were Either a Jock or some fucking Rich boy. My side would always be tossed aside as "Excuses & Lying" WHAT KIND OF FUCKING LOGIC IS THAT?!?!?! How the Fuck can you sit there and Degrade & Punish your OWN FUCKING FAMILY who's constantly being HARASSED every fucking day. I still just don't get it and I still feel the pain of that kind of shit all the time really fucked me up and made me even more antisocial by the time High School came around and wrapped up.

I still love my Family unconditionally despite their flaws but they definitely played a bit of a role in me becoming this way. These things that I mentioned just added to all the built up Pressure and Rage. They aren't the only reason though and I'm choosing this all on my own.

MORE RAGE MORE RAGE.

**Sunday, July 10, 2022**

Well the 870 is a NO GO. Bummer that thing was perfect and an absolute beaut but it was a PIECE OF SHIT. Didn't even Fire. I'll just use the 320 still a great Shotgun just not AS aesthetically pleasing to me but it'll get the job done right. As long as it causes Damage and Chaos. The AR will be purchased at the end of this Month.

Lately life has felt like such a chore to get through. I just wanna be at Peace with HER. My soulmate. She doesn't exist here I have to cross over to the other side to finally meet her.

I've always wanted LOVE that's all I ever wanted in this life and I'm just not gonna find it here. I wasn't built for love here. If I was I wouldn't be as antisocial as I am but that's how I was wired to live here as an antisocial robot who conforms to society. It's pathetic really. On the other side that won't be an issue my spirit will be free and at Peace with my true soulmate.

That might sound crazy but it's all I have. I've been so unlucky with Love in this life I have no other choice but to pursue it in the Afterlife. That's where it truly lies not here in this miserable existence.

This goes A LOT Deeper trust me but I'll leave it there for now. September the 8th is truly gonna be a special day. It'll go down in Human History as one of the most Infamous and Violent Mass Shootings of ALL TIME.

A little Under 2 Months Left.

**Monday, July 11, 2022**

All I keep thinking about is Doomsday it's on my mind 24/7 now. I come up with new ideas CONSTANTLY. Maybe I should use Tannerite Bombs instead of Molotovs? I'm not sure yet but some kind of explosives are needed to 1. Hold off the PIGS. 2. To cause as much DAMAGE as possible.

You know I wish this was the late 90s instead of 2022 I'd be able to do WAY more Damage and Violence because this type of thing wasn't common. Although I suspect after my Rampage we'll be seeing these Even MORE Frequently. America will just continue down it's dark path into Apocalypse. Glad I won't be around for it.

It's a crazy thing to KNOW the GRAVITY of what I'm about to do and still be able to go through with it and be at Peace with what's going to happen. My life could've been different but because of the mistakes and choices I've made it's led me here. I'm not exactly upset with it though. I will find Peace on the Other Side.

I feel like this shooting is gonna be a bit DIFFERENT though. Because I'm not like the typical Mass Shooter I'm different I'm not doing this for "Fame" or to "Get Revenge". I simply just want to DIE and leave a Lasting Impression and VIOLENT Mark on this World on my way out.

I'm not a Copycat nor do I want to be Famous for this I know the Terror and Horror I'm going to cause.

Thankfully I won't be here to have to deal with it.

**"The Becoming"**

I beat my machine  
It's a part of me  
It's inside of me  
I'm stuck in this dream  
It's changing me  
I am becoming  
The me that you know, he had some second thoughts  
He's covered with scabs

He is broken and sore  
The me that you know  
He doesn't come around much  
That part of me...  
Isn't here anymore  
All pain disappears  
It's the nature of...  
Of my circuitry  
Drowns out all I hear  
No escape from this  
My new consciousness  
*The me that you know*  
*He used to have feelings*  
*But the blood has stopped pumping and he is left to decay*  
*The me that you know is now made up of wires*  
*And even when i'm right with you i'm so far away*  
*I can try to get away*  
*But I've strapped myself in*  
*I can try to scratch away*  
*The sound in my ears*  
I can see it killing away  
All of my bad parts  
I don't want to listen  
But it's all too clear  
Hiding  
Backwards inside of me  
I feel... so unafraid  
Annie, hold a little tighter  
I might just slip away  
It won't give up, it wants me dead  
Goddamn this noise inside my head  
It won't give up, it wants me dead  
Goddamn this noise inside my head  
It won't give up, it wants me dead  
Goddamn this noise inside my head  
It won't give up, it wants me dead  
Goddamn this noise inside my head  
It won't give up, it wants me dead  
Goddamn this noise inside my head  
It won't give up, it wants me dead  
Goddamn this noise inside my head  
It won't give up, it wants me dead  
Goddamn this noise inside my head  
It won't give up, it wants me dead

You know what the absolute WORST part of Life on Earth is? WORK. Work sucks and I'm not saying that because I'm "Lazy" I'm saying that because the whole concept of Work in Society is Fucking Stupid. Theoretically I Have to work to "Pay My Debt" and "Contribute" to Society. That is so fucking dumb to me like Humans should be able to LIVE FREELY that's what Humanity should be. You're work should be a passion of yours that you get paid to do. You should be Working to Live instead of Living to Work. Apparently America doesn't share the same sentiment.

Honestly maybe it is partly Laziness but I still don't wanna spend the rest of my Life working or worrying about Financials it's a big reason as to why I chose this path. HATE I Hate a lot of things.

I need to start buying Ammo. I'll buy a couple Boxes this weekend but the budget is pretty tight until I get my AR. I can't wait to get that thing. A REAL Fucking Killin Machine!! I'll need to also purchase a Drum Mag as well as about 6 Extra Clips. I'm thinking overall I'll need around 250-300 Rounds of 5.56 NATO for the AR and around 100-150 Rounds for The Shotty.

Fatigues are also here which is dope the first part of the Outfit is here. It was pretty surreal to see them though. The reality hit a little harder but in a good way. It was like a weight is about to be lifted off my shoulders. I cannot wait to leave this place.

Man I just wanna get it over with. It sucks here. I'm constantly in a battle with my Humanity and it sucks I just wanna Die. I honestly wish that I could really Turn off my HUMAN SIDE. It's like I'm Two completely different people in one body.

Human Ethan - Compassionate, Caring, LOVING. HAD a huge Heart and just wanted to Accomplish his Goals and Be Wealthy and Successful. Most of all he just wanted to be Loved. After YEARS of trying he just never got the Love that he wanted and That put him into a deep pit of Depression, Despair, and most of all LONELINESS & ISOLATION.

The Animal - Angry, Full of RAGE, VENGEFUL!! He will not Hesitate to TEAR YOUR FUCKING HEADS OFF!!! Most of all he has NO EMPATHY, NO HUMANITY, and FEELS NOTHING. He craves VIOLENCE and He's Sadistic and Cerebral. Most of all he's about to be Unleashed on the World in one of the most Violent ways possible.

Side Note- "Send The Pain Below" is GREAT Music for Writing out my Thoughts. Amazing Song.

I honestly wish that I was an actual Sociopath so that I could just not feel any emotion but I do. No matter what THIS IS HAPPENING. Any Regrets or Second Thoughts will all be GONE on the day of the Massacre.

That side of me that I've TRIED So Desperately to keep Hidden. That Disturbed, Violent, Animalistic Part of me that I've tried SO HARD to keep at bay is finally here and there's nothing that can hold it back now. I've tried to be good I tried to do things the "RIGHT WAY" I've tried to be a GOOD HUMAN but I always got the short end of the Fucking Stick! I fucking HATE LIFE. Fuck this Shit! FUCK!

You're ALL FUCKED! I'm gonna FUCKING KILL EVERY SINGLE PERSON I SEE!!!  
Fucking Hell I gotta keep it together until then if I get into any Conflict/Fight I will FUCKING SNAP and Beat The Absolute FUCK out of whoever the Fuck and leave them lying in a Puddle of BLOOD.

### "I Do Not Want This"

I'm  
Losing ground  
Well you know how this world can beat you down  
And I'm  
Made of clay  
I fear I'm the only one who thinks this way  
I'm always falling down the same hill  
Bamboo puncturing the skin  
And nothing comes bleeding out of me  
Just like a waterfall I'm drowning in.  
Two feet below the surface I can still make out your wavy face  
And if I could just reach you maybe I could leave this place.  
I do not want this  
I do not want this  
I do not want this I do not want this  
Don't you tell me how I feel  
Don't you tell me how I feel  
Don't you tell me how I feel  
You don't know just how I feel  
*And I  
Stay inside my bed  
I have lived so many lives all in my head  
And don't*

*Tell me that you care  
There really isn't anything now  
Is there?*

You would know, wouldn't you?  
You extend your hand to those who suffer,  
To those who know what it really feels like,  
To those who've had a taste, like that means something.  
And oh so sick I am.  
And maybe I don't have a choice,  
And maybe that is all I have,  
And maybe this is a cry for help.  
I do not want this  
I do not want this  
I do not want this  
I do not want this  
Don't you tell me how I feel  
Don't you tell me how I feel  
Don't you tell me how I feel  
You don't know just how I feel  
I wanna know everything  
I wanna be everywhere  
I wanna fuck everyone in the world  
I wanna do something that matters  
I wanna know everything  
I wanna be everywhere  
I wanna fuck everyone in the world  
I wanna do something  
That matters  
I wanna know everything  
I wanna be everywhere  
I wanna fuck everyone in the world  
I wanna do something... that matters  
I want to know everything.  
I want to be everywhere.  
I want to fuck everyone in the world  
I want to do something that matters  
I want to know everything.  
I want to be everywhere.  
I want to fuck everyone in the world  
I want to do something that matters

**Saturday, July 16, 2022**

Authority absolutely sucks and that's just FACT. No one should be able to have any Control or Power over ANYONE. Just look at The PIGS they get to abuse and use their "Authority" to control people. Cops shouldn't Exist at all. But that's not how Society is Nooooo they want us to be "Civilized" HA! What a load of Fuckin Bullshit.

This Place, This World there ain't no such thing as Civilized it is MAN so in Love with GREED that He has Forgotten Himself and Found only Appetites. You will NEVER be able to have a completely Civilized World especially in this day and age with Technology and Social Media. Humans don't do well being Civilized that's been proven time and time again in History.

The whole World is going to Fucking Burn soon anyhow. There's no way Humans last any longer on this Earth than 20 More years MAX. There's just no way with the way things are looking right now it's inevitable the Human Race will collapse and it'll just be the Universe and all the Existing Spirits. Living in their own World. Good thing I'm ahead of the pack and know what's coming so I'm choosing not to endure Hell On Earth any longer.

The World was better off when it was Wild and Completely Free. Before all of the Technology, Social Media, Tools, and most importantly "Civilization". Man was meant to live wild and be left to his own devices. Meant to Survive and keep the Species going. We weren't supposed to evolve this far. I believe Human evolution is good up until a certain point then it becomes too much and slowly destroys you all.

Thank God I'm not Human Anymore. Unlike you Fucking Meat Sacks with Moral Compasses and God Complexes. I'm Fucking GODLIKE!

I've EVOLVED Above ALL Of You.

**Sunday, July 17, 2022**

What honestly sucks the most is not being able to have The ONE THING I want the most out of this life that I've never been able to have it's always been ripped away from me at every turn. I'm surrounded by it I see lucky Humans everyday getting to have what I want and it's not Fucking FAIR! Life isn't Fair and I Hate the Fucking World for it.

LOVE I've always Craved LOVE. I just wanted a loving partner who would return the same affections I gave them. A soulmate so to speak and I never got it. And do not Fucking say that it's my fault because it isn't. I tried everything I asked Girls out, I professed my feelings and Showed them. But it wasn't enough for them. I don't blame exactly Blame Women as a whole for this although YOU ALL could've been more Accepting and could've given me a shot and maybe I wouldn't have been so Eager Blow people's fucking heads off.

I believe in existence after the fact though. I'll find my Soulmate soon enough. Existence is spiritual. The spirits are locked inside our Human bodies and must be Born as Humans but once the Human DIES the Spirit is then SET FREE to Go wherever they choose after Death. I'm choosing to find Peace with HER. I know she exists on The Other Side I can feel her calling out to me. I will be with you soon My Love.

The Animal just has some killing to do beforehand.

**Monday, July 18, 2022**

I wish honestly I could just Die in my sleep and not wake up. The amount of energy It takes to simply Open My Eyes and Get Out of Bed is crazy it's just becoming even more Difficult by the day. I have no motivation to even WANT to leave my Room and "Snap into Reality". I just want it over I wanna be Free and Find Peace that's all I want!

All my Family & Friends just want me to have fucking Motivation and Ambition. They want me to "Enjoy Life!" How can I when there's just nothing to Enjoy about Living anymore GOD I can't wait to just End It.

Under 2 Months Left Just a Few fucking weeks left and it'll be done.

-Ethan

**"Reptile"**

*She spreads herself wide open  
To let the insects in  
She leaves a trail of honey  
To show me where she's been  
She has the blood of reptile  
Just underneath her skin  
Seeds from a thousand others  
Drip down from within  
Oh my beautiful liar  
Oh my precious whore  
My disease my infection  
I am so impure oh  
Devils speak of  
The way in which she'll manifest  
Angels bleed from  
The tainted touch of my caress  
Need to contaminate  
To alleviate this loneliness  
I now know  
The depths I reach are limitless  
Oh my beautiful liar*

Oh my precious whore  
My disease my infection  
I am so impure oh  
Oh my beautiful liar  
Oh my precious whore  
My disease my infection  
I am so impure  
Oh my beautiful liar  
Oh my precious whore  
My disease my infection  
I am so impure

"Reptile" - Nine Inch Nails

The Man realizes that all the Women he "Loved" or had any "Feelings" for were all Reptiles. Using him as a Means To An End or as A Way To Seek Attention. He doesn't Hate them he just Feels Nothing towards Them. He uses the Pain from These Experiences to add to his Building Rage.

**Wednesday, July 20, 2022**

Human Existence is just so MISERABLE. Like Holy Fuck this is the single worst time in History to live. Everyone's Fuckin BROKE, Everyone's Fuckin DEPRESSED, Everyone's Fuckin ANGRY! There's absolutely ZERO HOPE left in the world. Humanity is Doomed. I predict the World will end within the next 5-10 Years if you guys are lucky. Thankfully I won't be here. I'll be in a Warmer Place wayyy better than this Cold HELL.

I've lost my Emotions. I'm Cold here. There's nothing but Isolation and Sadness here and I just don't wanna wait 80 years for it to be over. Honestly I've been faking most of my Emotions for the past Two and a Half Years. Whether it be to Myself or to Others none of it's been real. I used to have REAL EMOTIONS. I LOVED & CARED DEEPLY! But The Reptile had to RUIN IT. I lost my Emotions after LOVE. Love ruined me. It was the feeling I craved the most on this Earth. But I was cursed unable to find True Love for YEARS....Then once I found it it crushed me and Fucked me up and here we are!

I'll never find Love here. Atleast not in the way that I want it. I want a Love like SE but I won't have that here. I need someone who can bring My Spirit back to life and likewise for them. Two Lost & Tortured Souls finding each other and bringing one another Back To Life. I know that we'll find each other soon.

The Human must DIE first though and The Animal shall be the One to do it.

I think I've officially saved enough money for the AR. I'm gonna go and see what exactly I can find I'm not looking for anything TOO particular but it has to be able to shoot Hollow Point 5.56. I'll also buy more Ammo for The Shotgun as well. SLUGS & OO BUCKSHOT!!

I can't wait for Doomsday it's gonna be such a Fuckin RIOT. I mean the Adrenaline Rush is gonna be FUCKING AWESOME haha! Gawd I CAN'T WAIT. It's gonna be different then your average "Shooting" I plan on inflicting the MOST Damage from the Fires set by the Molotovs. The most Chaos, Pain, Terror, & Pure Fucking Violence upon this town that day it'll be remembered forever.

Humans weren't supposed to be Civilized we've become so fucking Domesticated it's unreal. Humans are ANIMALS we are meant to be living wild and free amongst each other. However you all don't fucking understand that and decide to live domesticated, miserable lives.

But eventually some of us see life for what it really is and for what it should be. You can only domesticate a Wild Animal for so long until they snap and fight back. Humans will see this more and more in the future and the world will just become an apocalyptic wasteland where Humans will be free to Survive and Live on their own terms and in their own way.

This along with all the Other Shootings that have happened both Before & After From Columbine to Mountain View will be the Kickoff of The Human Revolution.

FINALLY I Finally have my AR-15!! Haha! You're all FUCKED now! This 5.56 is BADASS! Absolutely Beautiful Gun that's so easy to handle it's crazy I thought it'd be atleast a bit more complicated lol.

The Arsenal is almost complete. Now I just have to get the rest of My Gear as well as Ammo & Magazines. Holding that AR was Surreal as hell. It's REAL now this is Happening and I cannot fuckin wait!! I'll finally be rid of this life.

Suicide is not nearly as tragic as people make it out to be. We should be able to have control over our own Deaths and should be allowed to go out on our own terms I know for a FACT that where I go after this life will be a hell of a lot better for me then it is here. I'm not a conformer in any way shape or form.

Conforming is the worst thing about Humans WE WERENT MEANT TO CONFORM!! We were mean't to live individual free lives without being told how to LIVE, EAT, SLEEP, BREATH! Fuck Conformity and Fuck Society for letting this happen.

You're ALL just a hoard of Fucking Pigs as far as I can see. You just CONSUME & CONFORM. Humans don't even LIVE anymore they just scratch on day to day with

nothing but Phones & Social Media in their pockets! Hell more people would probably be better off Blowing their Brains Out.

"Closer" -Nine Inch Nails

The Man cannot trust Anymore and He is Afraid to become Close to Anyone. But he still craves Sex and Lust. The closest thing to Feelings he has. So he has Sex with Multiple Women Constantly with No Strings Attached. They're usually High and Engage in Wildly Animalistic and Borderline Grotesque Filthy Sex. He Tastes Her Flesh and Feels Her From The Inside Over & Over & Over...It Awakens an Animal from within the Man and He likes it. He's becoming increasingly Violent and Bloodthirsty.

**Wednesday, July 27, 2022**

I'm OBSESSED with Doomsday now I can hardly contain it! I can't wait to Die. The fact that Death excites me more than Living on this Earth should give you an idea of how my Fuckin Head Works and even MORE of an idea of how Miserable Life in this Country & World is right now. I know I'm going to a better place my spirit will finally be free'd and I'll have everything I want.

You Pigs can go ahead living your Pathetic Little Human Lives while I enjoy the Fruits of a Free Spirit. More people should think like me Honestly they'd feel so much BETTER and would finally find the peace inside of themselves that I have. Suicide truly is a Beautiful thing once you've accepted it.

Think about it. We're ALL gonna Die someday and you'll all just be Free Souls you'll be TRULY ALIVE! Why not just do it Yourself? Why "Live" here in constant Fear and under constant Control? There's no reason when the alternative is Everything You've Ever Wanted.

I'm so happy I've awakened this side of me. Self Awareness is so Great. I feel almost Godlike! I'm in a pathetic little Human Body now but come September I will Bring the Wrath of a God! Truly GODLIKE! Unlike your pathetic made up Creation you call "God".

I've truly changed. I've transcended my level of understanding of the way this world works and I know that I don't want any part of it. I've unlocked a very Dark and Violent part of myself and It will be on Full Display in September. Then I'll be Dead and at Peace.

I'm FULL OF HATE. An Emotionless kind of Hate. I Hate Everything about Life on Earth. I Fucking Hate Humans, I Fucking Hate Society, I HATE THE FUCKING WORLD!! This World gave me NOTHING but Isolation and Sadness and now My Heart is Black Towards It and Everything Inside.

You must Never underestimate the Allure Of Darkness as even the Purest Of Hearts are Attracted To It.

-Ethan

**Thursday, July 28, 2022**

I wanna Die REALLY Bad right now. Gawd this sucks. I hate living here. I can't get over how much I absolutely Abhor my Existence. I feel Nothing. The only thing close to feelings I have is ALL the RAGE I've stored over the course of my life. That's it that's all I have now. No Love, No Motivation, No Happiness, NOTHING.

Hell I don't even know what the fuck I'd do with this life if I wasn't planning on ending it. I just decided to move into an apartment with someone even though I'm going to be dead in a Month. HA! Oh Fucking well..

I just want my Time on this Earth to end really. All the Feelings have disappeared and I'm just NUMB. I don't feel. I just wanna Feel and the only way I can do that is to Die and be at Peace and let my Soul roam the endless Halls of Existence. There's more out there than just life on Earth or in this Universe. You just have to Die to access them. It's almost like advancing to the next Level in a Video Game. Your Spirit never truly Dies it just goes on to another Existence. A Multiverse if you will.

You've already experienced Death sooo many times before in your Sleep/Dreams so really it's nothing to Fear. Your Spirit, Your True Self will be awakened and free to Roam the never ending Hall of Existence opening the doors to new Universes for all of Eternity. Life on Earth is just the Beginning of your Existence. Like a Very Long and Miserable Prologue.

I am so Self Aware and so Aware of how this works you guys should really take what I'm saying into Deep Thought and Consideration. Then maybe you all will truly realize how PATHETIC you are on this Earth. Pathetic little Humans.

The only way to Truly be Free is to DIE and I can't Fuckin wait.

-Ethan

**Friday, July 29, 2022**

I wanna FUCKING KILL!! I cannot wait to shoot Someone in the Head with my Shotgun and watch their Fucking Brain & Skull Matter fly in the air in a Bloody Mist or Shoot them in the Heart and watch the Blood Flow away like a Stream. Maybe Fuck the Wound Haha. I'm a FUCKING ANIMAL!

I wanna just sink my Teeth into someone's Throat and Make it Explode like a Soda Can and taste their warm Blood. I wanna get on top of a Person and Pulverize their Head with my Elbows. Just grab some weak average little Human and Rip their Arms and Legs off Then hold their Decapitated Head like a Fucking GOD! Hearing the sounds Of Flesh Ripping Away and Bones Snapping would be absolutely Eargasmic!

I can't wait to just send a Bullet into someone's Brain. This is going to be the Bloodiest and Most Gruesome Massacre in the History of Massacres! I want Blood, Guts, Brain Matter, and Pieces of Skull & Flesh to Paint the Walls and Floors. Then I wanna End my Life Here in the Most Violent Way Possible. By Eating the Barrel of My Shotgun then Blowing my Head Off & Evacuating my Brain with Buckshot.

It'll be the Magnum Opus of Violence.

### **Saturday, July 30, 2022**

Ughh I just want to be with HER. My Soulmate. I wanna be laying next to Her, staring into her Deep Beautiful Eyes and Kissing her Exquisitely Soft Lips ahh that sounds like Heaven. True Heaven. To feel Love a kind of Love that just doesn't exist here. Call it a Fairytale or a Fantasy I don't care. I just wanna Feel It. It's not possible here.

I wasn't built for it here. Being Antisocial and What not. I'm a LONER. None of that will matter though. I can't find True Love here so I will pursue it in the Afterlife. Opening each door to separate Universes until I find HER. Oh she's just the Definition Of Perfection. You'd never find a woman like Her on Earth. She only exists in my Subconscious. Made for my Spirit as I am made for Hers. Twin Flames if you Will bringing Each Others Souls Back to Life.

I've been Drinking. Usually Alcohol isn't my go-to for self medication that's usually the Green stuffs job but I felt like changing it up. Peace. I just want to be at Peace. An endlessy beautiful landscape too beautiful for this ugly world. A truly Magnificent surrounding. With her Beautiful Face wrapping it all together as the absolute Perfect Picture of Existence. Compared with My Current Existence it sounds Serene.

Ughhhh September can't come soon enough.

-Ethan

### **Monday, August 1, 2022**

Mannn I love being Drunk. Completely numb No Feelings besides Primal Instincts. Fucking Anger & Lust. It's an incredible feeling of lack there of. Self medicating they'll call it. Fuck it. I self medicate with Weed & Alcohol. It's the only way that I can escape the miserable fuckin reality of Existence in this Universe.

I wanna Leave this shitty place. One more month and I'll be moving on though I expect it'll feel like an eternity. Eternity of misery. It's getting worse. The Depression. Falling Further

and Further Down the Spiral. No more FAITH. God doesn't exist. There I said it. Religion is all FAKE!!!

I'm Filled with RAGE! I just wanna Blow someone's Skull in half with a Fuckin Slug. I wanna Terrorize and Hurt people the way Life has Hurt Me! Fuck all of you people I wanna Fuckin Blow you all to Bloody Bits. Fuck You! I want nothing more than a Bloody Violent End. I Am A Vengeful Fuckin MONSTER! Call me "El Cucuy".

Don't tear it, don't tear it, don't tear it, don't tear it, don't tear it...

There's Nothing left for me to hide.

I lost my ignorance, security and pride.

"Terrible Lie" -Nine Inch Nails

The Man has realized that He's been lied too about his Purpose on Earth. Life on this planet means nothing. His Life Has No Meaning here. He's Giving up on His Morals and accepting what he has Become.

-Ethan

**Tuesday, August 2, 2022**

Hahaha....I Hate Humans. You all are so fucking stupid you sit there living your pathetic little lives acting like you're actually happy when in reality it's all fake. Life is terrible here and anyone who thinks otherwise is an absolute Fuckin Nimrod. Dumb little Fucking Humans. Gawd I can't wait to Kill Humans Humanity is a plague on Existence.

I REALLY Hate Religion as well. It's all FAKE! I can't even comprehend how someone can believe "God" Exists well Guess What God is a fake Creation made up by Man to project Morality and Moral Compasses on people. Morals are fucking stupid. They don't really exist because after Life on Earth Your Spirit takes control and anything you've done here whether Positive or Negative won't matter at all because you won't exist on this plane anymore.

There's No "Heaven" and There's No "Hell". There's just different Universes. Alternate Realities. Morals don't exist in the Afterlife. Morals are just an Earth Made concept that has no bearing on your further Existence beyond Earth. GOD IS FAKE!! Religion is just The Normals Hope because they fear Death. Death is Peaceful. Nothing to be afraid of whatsoever. Death is a blessing for your Spirit.

Self Awareness is really a beautiful thing. No Moral Compass, No Feelings, No HUMANITY! Ahh it's so peaceful Fuck all of you for ever trying to make me think or feel any different! This is Truth and This is Real.

I've Become my True Self and I am RELISHING IN IT!!

-Ethan

**Wednesday, August 3, 2022**

Christians are so Fucking Stupid. How the hell anyone believes in that shit is beyond me. None of it is real at all if there really was a "God" then all Humans would be perfect and there would be no evil in the world. But obviously that's not true (I am, Well Was, walking proof of that). Heaven and He'll are just used to prey on Humans Fear of Death. It makes you believe that if you're a "Good" Person you'll go to Heaven and if you're "Bad" you'll go to Hell. Haha what a Fucking Joke. Just another one of Mans false creations projected upon the weak.

In other news there's this Trial going on in Florida. The Stoneman Douglas Trial. What a dumb fucking thing. Why would anyone care about that stupid trial? That kid was honestly a fucking dumb little retard who just wanted attention. Fuckin dude should've offed himself he'd be in a much better place. Whatta loser lol. Thank GOD I'm going to Die in my Massacre. There'll be no Trial whatsoever. I'm the fucking Judge, Jury, & Executioner of myself. I'll control my Own Destiny.

I AM GOD! I'm my own God. I control where I go next and what happens in my next life not some made up Santa Claus Reject. Atleast Santa brings people together. Jesus should've stayed dead on that fucking cross lol although he never existed. Once you get rid of your moral compass life and death become much simpler.

No Faith, No Morals, No Humanity. Further and Further Down The Spiral we go.

The Man has found the power within himself to overthrow God it is only a matter of time. God will pay for creating the blueprint of control that has been projected upon his life. God will pay even though the blueprint was really conceived by Humans. Religion is a LIE!

**Friday, August 5, 2022**

The Human Race is just a complete sham and only exists to get you in touch with your true self. Your spirit. Once this Human life ends you become truly free to roam the different universes of existence it is very exciting actually. I can't wait. God this month is already feeling like an eternity.

I've ordered the "Hurt" Shirt and my NIN hat for the Massacre. I'll also be buying a SHIT TON of ammo tomorrow. My idea is to have atleast 100 Rounds for my Shotgun and about 2-300 Rounds for my AR. But we'll see as long as I have enough to last me until the end of the Massacre.

This is gonna impact soooo many people and change sooo many lives. Goddd it'll be amazing. I won't get to experience the aftermath but I hope that my legacy will be set in stone and you ALL will never forget what I did. The Horrors I cause. Haha I've become truly Sadistic and I fuckin love it!

I feel like I could just Rip someone's Fucking Head right off their shoulders!!! I am gonna FUCK YOU ALL UP!! Physically, Mentally, and Emotionally you're all fucked. Pathetic little fuckin humans. Gawddd Humanity is such a plague on this life on my existence. It still trues to creep though every now and again but there's no hope. The Animal has taken control and now the world's gonna fuckin pay for letting him come to light. Murder encapsulates the mind. I'm above you I am FUCKING GOD. I can kill whoever I want with no consequences because I'll be to dead for any of it to matter. Fuck Humans you little pathetic fucking meat sacks.

I Am just so Fucking Angry all the time that's why I smoke so much fucking Weed and Drink until I pass out because the reality of this life is so fucking miserable it makes me Sick and Pissed! You guys are gonna see the Power of all The Fucking Rage I've bottled up. And that Bottle is about to Explode like Napalm!

I just go to the grocery store and see all these dumb little Humans and I just wanna Tear Them Apart! Rip their Vocal Chords from their Throat and Their Hearts from their chests. It's gonna be a Bloodbath in September. A Literal Nightmare for Humanity. Bloody September you should call it. I'm going to Violently Violate you all! I'm proof that Humanity doesn't always last. People can be Born Evil but they can also be Turned Evil. That's what's happened here. I've turned it all off. Humanity's Gone Dark.

More people should turn it off. It feels so much better simply because YOU DON'T FEEL! Atleast this way it makes what about to do soooo much easier. I have No Conscience. I'm a Soulless Animal Hell bent on utterly Annihilating Himself and Others. With Absolutely No Remorse. I've Reached My Absolute Lowest and Have Become The Most Powerful I've EVER Been.

**Monday, August 8, 2022**

Humans are just so FAKE! This whole entire World is Fake. Beliefs, Morals, Lifestyles...ALL BULLSHIT! You little Humans just exist here doing meaningless Day To Day Tasks thinking that you're contributing to Society by Working your dumb little jobs and Paying your stupid ass bills. It's all just so FUCKING FAKE it's ridiculous. Humans were never meant to live like this. We were put on this Earth by the Universe to Survive using the basic tasks and to nurture our spirits for our further existences.

That's why our Life Expectancy was so low in the beginning. Our lives here were not meant to last long. But noooo somewhere along the way we decided to be "Civilized" and to live in peace with each other. MAN was BORN to be WILD! War, Death, Conflict happens way more frequently in the World than Love & Peace. Humans were meant to Survive on their basic instincts then Die AND THEN the Spirit is at Peace. See this is why I'm ABOVE You People. Really when you look at the Evolution of Humans it's just not Natural. We've completely destroyed this once Beautiful Planet with Cities filled with Mindless Zombies. Humans have literally just become more and more fake the more the more they evolve and it's not going to end well for you guys. Most Humans just accept their Shitty lives here because they have no idea what they're truly destined for afterwards. They believe in "God" and just concede to the people in power because they don't know

any better. News flash those people in power are just egotistical pigs who have found a way in this evolved and fake society to use and abuse the unjust power they've been given to shit on the Zombies they've made out of Humans.

I AM GOD! I've chosen my own Destiny and NO ONE or NOTHING can stop me. I control what I WANT to control and there's not a Motherfucking thing you Zombies can do about it. Humans are going to Die at my hands. Violently. I'm going to show you the real Wrath Of A God. I've Become God All On My Own. Just Like How Man Created Him To Begin With. I'm Ultimately POWERFUL! I have Guns, I have Ammo, I Don't have a Conscience and most of all I Have Nothing to Lose.

No Morals, No Goals, No Motivations. I have very Few Family and Friends but all of them can live here without me. This'll Hurt them yes but they all have reasons and people to help them get through it. Me? Nothing absolutely zero reason to keep going on living in this world. The most miserable existence of all time. I'm not a Good "Human" and I will show you all that in Death.

**Wednesday, August 10, 2022**

Gawddd Every Day Is Exactly The Same! Just Wake Up, Shower, Eat?, Work, Go Home, Escape Reality, Eat?, Sleep anddd Repeat. That's it that is Civilized Human Life in a nutshell I guarantee you that 95 Percent of the Humans on Earth go by this same exact schedule. And the ones who don't were just lucky. At the end of the day they were blessed by the universe with Genes, Mindset, Ect. But the Majority of Humans are just Programmed Zombies.

Human Life wasn't even always this way we've just "evolved" to this miserable depressing state which isn't going to get any better. You wanna know how to prevent these kinds of Mass Shootings? Get rid of Society! Be less Civilized and more Free amongst yourselves. Embrace your Primal Instincts. Get rid of your Governments and Govern Yourselfs I don't understand why this is so hard to grasp? You fucking idiots this is why I'm ABOVE YOU!! Ahh who am I kidding HUMANITY IS FUCKED and it's for the better. Fuck You All. I'm gonna Fuck Society right in its Dirty, Ugly Asshole!!!

I wasn't one of the Lucky ones. If I didn't realize my True Self and didn't have knowledge I have now I'd just be a Slave To Society. I tried to do greater things but I just wasn't meant to have them. Funny how the Universe works. Honestly I was always a monster. I've had fantasies of committing a Mass Shooting for a long time and only now have I truly embraced my inner Animal and Accepted my Fate in the Universe. My time here is done it's time to explore the endless universes.

But I WILL NOT leave here without letting The Animal take over and RUIN You All!

-Ethan

## "Ruiner"

You had all of them on your side  
Didn't you, didn't you?  
You believed in all your lies  
Didn't you, didn't you?  
The Ruiner's got a lot to prove  
He's got nothing to lose and now he made you believe  
The Ruiner is your only friend  
And he's the living end to the cattle he deceives  
Raping of the innocent  
You know the Ruiner ruins everything he sees  
Now the only pure thing left  
In my fucking world is wearing your disease  
How'd you get so big?  
How'd you get so strong?  
How'd it get so hard?  
How'd it get so long?  
You had to give them all a sign  
Didn't you, didn't you?  
You had to covet what was mine  
Didn't you, didn't you?  
*The Ruiner's a collector*  
*He's an infector, serving his shit to his flies*  
*Maybe there will come a day*  
*When those that you keep blind will suddenly realize*  
*Maybe it's a part of me*  
*You took it to a place I hoped it would never go*  
*And maybe that fucked me up much more than you'll ever know*  
How'd you get so big?  
How'd you get so strong?  
How'd you get so hard?  
How'd it get so long?  
And what you gave to me?  
My perfect ring of scars  
You know I can see  
What you really are  
You didn't hurt me  
Nothing can hurt me  
You didn't hurt me  
Nothing can stop me now  
You didn't hurt me  
Nothing can hurt me  
You didn't hurt me  
Nothing can stop me now  
You didn't hurt me  
Nothing can hurt me  
You didn't hurt me  
Nothing can stop me now

You didn't hurt me  
Nothing can hurt me  
You didn't hurt me  
Nothing can stop me now  
You didn't hurt me  
Nothing can hurt me  
You didn't hurt me  
Nothing can stop me now  
You didn't hurt me  
Nothing can hurt me  
You didn't hurt me  
Nothing can, stop

"Ruiner" -Nine Inch Nails

The Man's Humanity is trying to reach through and stop him but it's just too late. The Animal has taken Control and has realized his potential for Violence. Society has created this Monster. It's only a matter of time until he snaps. He has become Ultimately Powerful and is hell bent on creating Utter Devastation and will not Stop or Be Stopped. This is his Destiny.

Sleep. Sleep is the thing I await the most Every Single Day. Sleep is the closest thing to death that we can experience while living. I can't wait to just Go To Sleep Forever. Exploring the different Universes of Existence in a Euphoric Dream Like State. That's exactly what Death is like. Ahhh so peaceful.

I had a Dream last night and it was the Realest Dream I've ever felt. I've always been a Vivid Dreamer. This one was different though. More realistic than ever. Realer than Anything Here. She was Beautiful. She just kept Appearing. Truly I believe she was my Soulmate calling out to me. She's already there She's just waiting. It's only a matter of Time I'll be there soon. I can't waitt ughh I just wish September would just be here already I just wanna Fuckin Die I hate this world this Existence is Fucking Miserable. FUCK!!!!

I Just Wanna Blow My Brains Out. Literally. With a Fucking 12 Gauge. But not after Slaughtering some of you on the way out. "Innocent" Humans are going to Die. That's on Society's Hands. I'll be doing it but it's because of what Society has done to me. You're all Fucked. I was Fucked! I'm going to leave a Violent, Bloody Mark on this World. Fuck this Place. Fuck Humans. Fuck Earth. Fuck SOCIETY! FUCK YOU!!!!

Tick. Tick.. Tick...

**Sunday, August 14, 2022**

I just want September to be here already. It's taking too damn long! Too much time to be doing nothing. Living a Mundane and Miserable Existence is all I'm doing and I just want it to end. There's no fruits for me to enjoy they're all just rotten. No Motivation, No Ambition, No Goals, and NO LOVE! Not Fair!!

Why couldn't I just have that ONE THING. Love I just wanted Love and to be Loved. Everyone I wanted didn't want me. I could've loved so great on this Earth but I was never granted it. WHY??! I see people Dating and in Happy "Relationships" and get Jealous and Angry because I just wanted to experience Love. Although most Human Romantic Relationships are more shallow than anything I've ever wanted.

I wanted TRUE LOVE. The kind of love you see Romanticized and only Fictionalized in Movies & Television & Books. That kind of Love just doesn't really Exist here. Most Humans are not capable of loving unconditionally in that way. Human Romantic Love is basically Matured into a Close Friendship with Sex. That is how 99% of Human Relationships end up. Because that's what you're told to settle for. I'm not gonna settle for it. It's not what I want atleast not here. I will find the Soulmate I've always wanted. Even if that means leaving this place to do so. Good Riddance to my miserable Life on Earth.

I could never find the Soulmate I want here anyways. She couldn't exist. She's too perfect both in Looks and in her Spirit. She's more beautiful than any woman in existence. The absolute definition of Perfection. Not a single flaw. Unlike My Human Self. Ughhhh I just wanna meet youuu. She's not Human just like I'm not Human. We will meet in the Afterlife and be together. Whether it's Peace or Different Universes I know we'll be together. And I'll have what I have always wanted.

I just can't have what I've always wanted. I have been denied that pleasure here. And for that you're all gonna Fucking Pay! Why couldn't you just give me a shot? We would've been perfect. But she denied me. She didn't want me. The one Human Being that actually made me truly care and feel Love. Didn't reciprocate. She could've "saved" me but instead my love for her ended up hurting me more than I could've ever imagined. And that along with many other reasons has left me Emotionless. No I'm not Upset anymore because Upset is an emotion specific to Humans who care. I Don't Care at all about anything anymore besides my own Death and what will be afterwards.

I've accepted what's coming. I'm at Peace with it now. At absolute Peace. Nothing Can Stop Me.

I Still Recall The Taste Of Your Tears  
Echoing Your Voice just like the Ringing in my Ears  
My Favorite Dreams Of You still wash ashore  
Scraping Through My Head 'til I don't Want To Sleep anymore  
You Make This All Go Away  
You Make This All Go Away  
I'm down to just One Thing

And I'm starting to Scare Myself  
You Make This All Go Away  
You Make This All Go Away  
I just Want Something  
I just Want Something I Can Never Have  
You Always were The One to Show me how to Live  
Back then I couldn't do the Things that I Can Do Now  
This thing is slowly Taking Me Apart  
*GREY Would Be The Color If I Had A HEART*  
Come On and Tell Me!  
You Make This All Go Away  
You Make This All Go Away  
I'm Down to just One Thing  
And I'm Starting to Scare Myself  
You Make This All Go Away  
You Make This All Go Away  
I Just Want Something  
I Just Want Something I Can Never Have  
In This Place it seems like Such A Shame  
Though it all Looks Different Now, I know it's Still The Same  
*Everywhere I Look You're All I See*  
*Just a Fading FUCKING Reminder of Who I USED TO BE!*  
Come On, Tell Me!

"Something I Can Never Have"-Nine Inch Nails

LOVE. The Man wanted to Love. He never got it. It's the thing that led him Deeper Down The Spiral. He just wanted to have a Soulmate To Share his Deep and Passionate Love with. He Realizes that he will never find that here. Now He's left to One Option. To pursue Her in Death.

Another Day of Mindless Existence is going by endlessly slow. All the days just blend together in a haze now. I've driven myself to complete utter insanity. This is literally Hell on Earth now. I don't feel anything. I'm so numb I couldn't feel even if I wanted to. One thing excites me though and that's Death. I'll finally feel some Adrenaline for once. I'll finally be able to express ALL of the Hate & Rage that I've kept bottling up. The sheer Violence and Gravity of it all is what's keeping me excited.

I just want it to be over really. I'm starting to sound like a broken fucking record I know but it's true I just wanna Die!! Fuck this place. I'm going somewhere far better than here. She awaits me and I'll be damned if I await her any longer. Death is a transfer. From Human Life to Spirit Life. And the latter just sounds sooo much better ughhh I don't want this life anymore just fucking let me go!!

I have NOTHING to live for don't you Fucking get it?! I can't have what I want because it doesn't fucking exist here! I want more than this world could ever provide me. People keep telling me to think ahead and to be "Successful and Rich" and Want me to have Drive, Motivation, and Fucking Ambition. But I just can't do it anymore I'm tired of living I just wanna move on.

You guys see a "Good Future" but all I see is Darkness, Depression, and Pain. You see me (And I Quote) "With a Nice Truck, Dressed to the Nines with a clipboard in my hands ready to sell jobs!" End Quote. I see myself with Two Guns, Dressed in Combat Gear in a school ready to Blow Fucking Brains Out! I'm never going to live up to anyone's expectations just like anyone or anything will never live up to mine.

Horrible Social Skills, Terrible Looks, Zero Self Esteem, No Real Confidence. That's me. I'm just a fragile little Fucking Human. I hate it. I don't wanna live here anymore I want more than this. I wanna fucking Kill as many Humans on my way out. Humanity doesn't exist anymore. Not to me. I've lost all Emotions except for Pure Rage. I've bottled up so much Fucking Hate & Rage over the years and It's about to Boil over and Explode Violently in just a couple weeks. Then Peace. But my life on this Earth is over now just waiting in agony to make it official. I'm doomed. I've chosen the Dark Path. I've literally driven myself into the madness. Wanna see insanity? Well this is it. True and Utter Insanity.

"I Am the Bullet in the Gun! (and I control you)  
I Am the Truth from which You Run! (and I control you)  
I Am the Silencing Machine (and I control you)

Closer and Closer...

*I Wanna Fuck You Like An Animal!*

Doomsday grows near. The "Reality" is setting in a little bit. Nothings truly Real though. It's all about perception. The World isn't real. Just another Existence. Miserable. Vodka really is an amazing drink. VoDKa had good taste. Makes everything go away. Reality doesn't even exist to me anymore. Gawd I can't wait to FUCKING DIE! Death I wanna both Cause and Experience. Damn I'm a fucking Monster. Evil?. Hahahahaha

I'm gonna be a School Shooter. Crazy. Although not Unexpected. Ive had a Morbid interest in Shootings for a long time. Especially **Columbine**. My Last Resort. I didn't think it'd ever go this far. But here I am. A fucking pathetic Human. 9.08 I will be UN FUCKING STOPPABLE!! Godlike! I'm going to fucking Violently Murder Humans! I cannot wait the pure brutality is just so exciting! Death ahhh so peaceful.

Death happens every day. Get over it. You want me to feel bad? Well I don't. Humans are NOTHING. This life, Existence means NOTHING! I guarantee you we are all going to a better fucking place. You're spirit is meant to be free! Not held down by a controlling, unfair "Society". Death=Peace. So fuck your "God" and your "Devil" neither exist and I'm going to find Peace.

WRATH. That's the one word I can use to describe 9.08. Pure Wrath of God. Me. I am GOD! I will be God even if for just a short time on this Earth. I will choose between Life and Death among the Humans. In The End I know my Fate going into that day. I'll be Dead. Somewhere way better than here. I'm insignificant in this World but my Actions in Death are not.

**Saturday, August 20, 2022**

Goddamn this is going to be Fucking Violent! 5.56, 00 BuckShot, Slugs. These are the types of Ammo that'll be used on 9.08. Three of the most devastating Types. Capable of inflicting Maximum Damage. It's going to be a Fucking Gruesome Bloodbath! Heads Blown Apart, Limbs Almost Completely Severed, Blood All Over, Brain and Skull Matter Everywhere. Not To Mention all the Mental Trauma. Hahaha EXCITING!. I've been getting VERY comfortable with My Guns and their Ergonomics. I have All the Ammunition I need. (Well Over 300 Rounds)

I'm predicting ATLEAST 20 Dead but I might just Kill up to 40+ if I have the time. I Will Not Stop Until Police Arrive. Although I do Plan on leaving SOME Survivors...To Tell Their Stories of course. The Gravity of it all is just indescribable. It's going to be a Spectacle. Once Again I'll say it will be my Magnum Opus.

I'm Evil. Plain and Simple. That is literally the only answer here. My Head doesn't work right it never really has. I just don't fit in with this world and despite my "Humanity" peaking through little bits here and there (That's Annoying btw) I still stay on the path of Destruction which is fine because in Death I'll feel more Alive than ever. No one caused this but ME

and Me ALONE. Don't go blaming my Family or Friends. Don't go blaming Trent Reznor or any other Artists I listen to. Don't blame Guns and don't ban them I was going to Hurt Humans in one way or another. Don't blame all the trivial things that you usually do.

Instead blame the system. This bullshit system creates people like me. Although in my case in particular I might've just been a Bad Seed. I have no idea which it is. But other people will see people like Myself, Harris & Klebold, Kinkel and Other Shooters relatable BECAUSE WE ARE! Society has fucked people and I don't see it going back to how it should be. The World is Fucked. Honestly I hope there's more shootings after this. I hope I do inspire people. Atleast some people will gain some meaning to their pathetic lives.

Or just forget me. It's all the same I'll be too Dead to care. You won't forget what I do though. 9/08/22 will be forever carved into America's Horrific History Book. But to all my Friends & Family. Forget Me. Let Me Go. Erase Me. I did all of this on my own and there was NOTHING you guys could've done. I chose this path. It was the only one I could've chosen. I would've been worse off any other way. So don't let me be a goddamn burden and just fucking Forget Me.

RAGE. I just keep building it up, keep piling it on. I need it I need MORE. The Depression is a real bitch and gets in the way of my motivation. Life fucking sucks I know that. I'm aware. Too aware. It's 100% Real now. It's sunk in and I'm ready. I'm ready to just stop thinking. To get on with it and move on. I hope I fucking scar you fuckers. Gawd the media's gonna be so pathetic. I can see all the bullshit headlines already. "Oh no Not Again!", "Gun Control!". This one's a bit Different though.

Mountain View. Fuck that School. No good memories about that School or the Staff within in. Hell pretty much everyone there was a stuck up little fucking pussy. I'm glad I've made it Ground Zero. Can't wait blow your fuckin heads apart! Oh what a Slug is going to do to a Human Head. Holy shit this is gonna be insane! Nerve Wracking? Yes. But Ultimately no true fear because I'm gonna fucking die doing it and got to a better place in the process! Morals cease to exist to me. Your Lives mean Nothing and especially to Me.

Shock and Awe. That's what I'm going for. This cesspit town has been growing more and more Violent over that last few years but nothing like this. Not even close. I'm gonna shake this place to its Fucking Core!! You guys oughta fucking change because of this. The level of Carnage and Gore is going to be too much for most of you. And I'll be capping it off by ending myself in the most Shocking and Violent way Possible.

Humanity's Gone you Fuckin Pigs.

### **Tuesday, August 23, 2022**

I Fucking Hate You People. Everyone. Fucking Pathetic Human Shit. I cannot begin to describe how Fucking Angry I am. Absolute fucking RAGE! I can't wait to release it on all of you! I'm gonna blow your fucking Skulls Apart!! I have no idea where all of this Rage stems from and I don't fuckin care. I just wanna Terrorize and Murder as much as I can! I can hardly contain it. I just wanna Fuck You All!!

Humans are nothing to me. Fucking stupid Meat Sacks. Spirits trapped inside dull, weak ass bodies. I'm doing good here! These Humans will be truly free and at piece not living in a fucked up Dystopia. This Existence, This World is just pitiful. There's so much more out there! What's wrong with leaving? This place is fucking insignificant.

I'm just a Bad Fucking Man. An Absolute Terrible Human Being in all facets. But only here. On Earth. I will finally be able to be at Peace and move on to The Next Existence. But not

until my work here is finished. The Animal is gonna be unleashed on 9.08. You're all FUCKED. It's truly gonna Fuck People Up. Shame. I'll be too dead to care.

Rage has boiled to the surface of my Nonexistent Emotions. It's Truly Animalistic. Like a Fucking Wolf about to Tear Apart it's Prey. Limb From Limb. No Mercy. Pure Animalistic RAGE!!

"Drowning deep in my sea of loathing  
Broken your servant I kneel  
(Will you give in to me?)  
It seems what's left of my human side  
Is slowly changing in me  
(Will you give in to me?)  
Looking at my own reflection  
When suddenly it changes  
Violently it changes (oh no)  
There is no turning back now  
You've woken up the demon in me  
Get up, come on get down with the sickness  
Get up, come on get down with the sickness  
Get up, come on get down with the sickness  
Open up your hate, and let it flow into me  
Get up, come on get down with the sickness  
You mother get up come on get down with the sickness  
You fucker get up come on get down with the sickness  
Madness is the gift, that has been given to me  
I can see inside you, the sickness is rising  
Don't try to deny what you feel  
(Will you give in to me?)  
It seems that all that was good has died  
And is decaying in me  
(Will you give in to me?)  
It seems you're having some trouble  
In dealing with these changes  
Living with these changes (oh no)  
The world is a scary place  
Now that you've woken up the demon in me" Disturbed - "Down With The Sickness"

**Wednesday, August 24, 2022**

The Foreshadowing is absolutely insane lol. It's like I know something people don't (I Do.) I Am Higher than you people. I am God. I choose my Destiny not You! It's been fun dropping all of these little hints to all of you. I hope you all can remember some once this is all over...well seeing as you're reading this you might already have remembered. Haha this is Awesome!

It is a strange thing knowing you'll be dead soon. Your Mind and Humanity starts to play tricks on you. I guess it's the basic pathetic instincts of the Human Body. Survival. Pitiful. I look Death in the face daily and Welcome it's Embrace. It almost like being in a constant Euphoria. Knowing that I'll be gone soon makes everything here less and less real because it's really not. The only thing that's real is your Spirit. And once you realize the truth about this World and how infinite the Universe is. You'd wanna leave too.

I'm at Peace with the Monster I've become in this life. I'm ready to be do this. To do what I was truly put here to do and most of all I'm ready to just fucking Die. I know that I won't remember any of it at all. As I will find True Peace. I will be away from this Hell Hole. Then I'll be truly free to live whatever Existence I Desire. Ughhh I can't Wait.

I was Born To Kill. It's as simple as that. Good Wombs can give birth to Bad Seeds. I just wasn't meant for anything else on this Earth and I've realized that. I've Realized too Much and I UNDERSTAND too Much to just crawl back into Society because the way I think and my views on the World are not Accepted by Society. I just don't belong here and I'd much rather Die than to betray my thoughts. What I believe is right and I hope that more and more people will realize this and fight back.

Most of you won't though because you simply cannot understand. You've been told to believe certain things and to act a certain way that you just don't know any different. All the so called "Leaders" and the People you put in Power they know exactly what I'm talking about. The difference is they hide it from you all and instead force a false belief system down your throats and you all just swallow it up. Morals are completely nonexistent in Human Nature they are simply creations of man used to control and invoke fear. Not me. I know the truth and I'll be damned if I let ANYONE Control me or my fate.

Fuck The Government, Fuck The Police, and most of all Fuck Your Fake Ass "God" and Your Dumb Little Moral Compass. It's all bullshit I'm glad I've realized this now instead of wasting years living a miserable life here. But there are others like me out there. Who think like me and share similar thoughts although I'd imagine most if not all of them are Inferior. More and More will reveal themselves and you won't be able to stop them because they (Like Me) know how to conceal themselves from the Sheep and blend in.

I'm going to Kickstart a Fucking Violent Revolution Here.

-Ethan

**Thursday, August 25, 2022**

I think way too much that's my issue. (Or Not?) I don't know I know that I just think too deeply. My mind has gone to places inaccessible to the Normal Human Mind. I've reached the darkest places inside my head and I love it. I'm truly something sinister. Like out of a fuckin horror movie or something. Just truly Callous and pure Evil.

I wanna get a couple things straight though. First I am NOT a White Supremacist. I hate EVERYONE & EVERYTHING. Niggers, Jews, Spics, Gooks, And Privileged White Pussies. I hate Them ALL. Second I am not a Fucking Incel. I don't ever wanna be associated with those fucking losers. I simply know that what I want isn't achievable here. I

don't have anything specifically against Women. Although MOST Women are fucking fake and shallow. Incels are Pussies. Not me. Third and Last I reiterate. I AM THE ONLY PERSON RESPONSIBLE. No one else is to blame. I am Evil. No one could've fucking stopped me. I've kept this all hidden because I know that it isn't "Morally Accepted" and that I am just a Bad Seed. I Absolve Everyone besides Myself of any guilt.

No Emotions. I am Cold and I look towards my inevitable Death and The Violence that will come with it. The Rage is starting to become difficult to keep hidden but I only have 2 more weeks of hiding and then The Animal can be released. I Can't Fucking Wait.

I Am In Complete Control.

-Ethan

**Saturday, August 27, 2022**

Fuck It. I'm done waiting. I CAN'T WAIT ANY LONGER. The Rage has become uncontrollable and It can't wait 2 More Weeks...Tomorrow. Sunday. August 28th 2022. Doomsday. It came Early Fuckers! Fuck this place I can't stand more then one more day of absolute misery. It's fucking dog shit here. I know what awaits me on The Other Side and I'm ready for it. My time here is done. The next Hours will be like an Eternity.

Violence. I've said it before and I'll say it one last time that's what I was put on this Earth to create. I was Born To Kill. I'm a Natural Born Killer. So Kill I will and I'll have a damn good time doing it too! I'm just gonna Blow you all apart, limb from limb. Your fuckin Brains Blown out of your damn heads! Blood coating the Floors, Walls, Ceilings. It'll be fuckin horrific. The Snells of Gunpowder and Death coated over by a thick Layer of Smoke. It'll be Apocalyptic.

I'm ready to Let my Rage out and Die. Move on to my Next Existence or Just at Peace for Eternity. Either one is much preferable to Life Here On Earth. This place is Cursed. You Humans have Fucked it up soooo Bad that I don't see it existing much longer. You guys are Fucked. I'm Fucked. My Head is FUCKED. I'm DONE!! I feel like I'm fucking trapped. I don't belong here. I never did.

*Everything To Me."*

"And All That Could Have Been." -Nine Inch Nails

The Man has finally accepted His Fate. He's Ready to Die and leave his Past behind. Any Future he could've had he's thrown away as it is not his true Destiny. The Man has Come To Terms with Death.

-Ethan

**GoodBye.**

Well This is it. Today's the Day I Die. It's nerve wracking as HELL! But also peaceful in a way. Knowing that after my Massacre I'll be gone. Truly at Peace. Far Far Away from this place. I'm literally counting down the Hours, and Minutes at this point. What's Life Without a Little Death and Adrenaline? Ahhh this is going to truly be EPIC!

Why? I can already see all of you asking that Question. And the Answer is that I Have No Fuckin Idea. My Head just doesn't fucking work anymore it's like a Living Hell I can never shut my thoughts off. Good Thing a 12G can take care of that problem.

Also I'm FULL OF RAGE!! I'm just fucking Angry at the World and everything in it and It's gonna be so fucking nice to just watch it all Burn. I hate society. Society Sucks. It's Useless, Constraining, and Ultimately Unfair. This system is not one that I can win in no matter what anyone says after the fact I know my place here and I'm not gonna stick around for it. I mean we are literally living in a Dystopia. Citizens are perceived to be under constant surveillance. Citizens have a fear of the outside world. Citizens live in a dehumanized state. The natural world is banished and distrusted.

Humans let this happen. We've evolved way too far technologically but most Human Brains are programmed like Fuckin Robots that they can't even be themselves because they don't know who they truly are! Wake Up! This is why I am Fucking Above you dumb little Humans. I know that this world is done for so I'm taking myself out of it. In the most Animalistic and Violent way Possible.

And don't even get me started on Religion and That Fake little "God" you worship. Anyone who actually believes in God is a Fucking Sheep God doesn't exist. He never has existed. He's a made up creation. Man created God to cope with the Fear of Death and it has turned into the Largest Myth on Earth as a way to push Morals and a False Society on Humans. The Myth Of God is absolutely one of the WORST Things that has been Pushed among Humanity.

My Humanity is Gone. I've no Emotions whatsoever. I feel Nothing. That's what's gonna make this all so Easy. I truly just wanna leave. I don't know where or when I lost it all but I have. I have No Hope for anything here. The Only Hope left is that Death will bring me Peace with *Her* and a New Life. A Million Miles Away in Another Universe. Life will never quite live up to the fantasies I've created in my head. No one or nothing will be able to ever live up to the expectations in my head therefor I cannot live up to anyone's expectations. Most Of All I Really Just Hate Myself. I'm an Blood-Thirsty Evil Fucking Psychopath.

To All My Family and Friends I Loved All Of You Dearly. None of this is your Burden. I chose this 100% on my own no one else is at fault. Thank You all for trying to help me through this Hell Hole but it wasn't ever meant to be. I was Born to do this. So with All Of That said I want you All to go a live Happy Human Lives. You guys are pure and deserve it.

Goodbye.
